

DCRRC Steve Thompson 15K Championship Results
April 17, 2004

The day started out in the 40's and made it into the 80's with sunny skies, which had runners shedding clothes quickly. The course had just been remeasured by Bob Thurston so we were very confident of its accuracy. The first place male and female winners were not seriously challenged. Twenty five gold, silver, and bronze medals were awarded plus running books to the first man and woman masters and free entries into the upcoming Parkway Classic. Thanks to volunteers Pat Brown, Charles Evans, Bob Spearling, George Robertson, John Haubert, Douglas Burnette, Mark Drosky, and James Scarborough for making the race go smoothly.
